Drive, Guntersville, Alabama 35976**

MEETING SPONSORSHIP REQUEST

Dear Friends:

The 21st Annual Meeting of the Southeastern Bat Diversity Network and 26th Annual Colloquium on the Conservation of Mammals in the Southeastern United States will be held Thursday, February 18 - Friday, February 19, 2016, at Lake Guntersville State Park in Guntersville, Alabama. This beautiful park, located within the Southern Appalachians and features bluff-side views of Guntersville Reservoir, will serve as the meeting location, attended annually by 120-150 people. Attendees include students, academics, consultants, agency personnel, non-governmental organizations, and other individuals researching and managing bats and other mammals throughout the Southeast (16 states).

This meeting serves as one of the primary mechanisms for communication of research, regulatory updates, and management information related to the conservation of bats and other mammals in southeast. This will be a great opportunity to interact with researchers, consultants, agency personnel, students, and non-governmental organizations working with bats and other mammal conservation.

Hotel rates are low (\$75.00-88.00 plus tax/night) and conference location is convenient to all activities taking place within the lodge. Meals (excluding lunch on Thursday) and breaks will be included in meeting registration. We are seeking sponsorships for 1 breakfast, 3-4 breaks, 1 social and 1 lunch, but also offer a general sponsorship level.

We would like to invite your organization to consider serving as a meeting sponsor.

Please contact us by email (mammalmeeting2016@gmail.com) or by phone (865-632-4010 [Holly], 865-632-4011 [Liz]) to discuss your participation or for assistance with any questions.

We look forward to hearing from you!

Sincerely,

Holly LeGrand and Liz Hamrick, Local Hosts, Southeastern Bat Diversity Network
