**MEETING SPONSORSHIP REQUEST**

Dear Friends:

The 22<sup>nd</sup> Annual Meeting of the Southeastern Bat Diversity Network and 27<sup>th</sup> Annual Colloquium on the Conservation of Mammals in the Southeastern United States will be held Thursday, February 16 - Friday, February 17, 2017, in Asheville, NC. Last year this meeting was attended by 250 people. Attendees include students, academics, consultants, agency personnel, non-governmental organizations, and other individuals researching and managing bats and other mammals throughout the Southeast (16 states).

This meeting serves as one of the primary mechanisms for communication of research, regulatory updates, and management information related to the conservation of bats and other mammals in the southeastern US. This will be a great opportunity to interact with researchers, consultants, agency personnel, students, and non-governmental organizations working with bats and other mammal conservation.

Hotel rates are reasonable (\$129.00 plus tax/night) and conference location is convenient to all activities taking place within the hotel and the city. We are seeking sponsorships for 1 breakfast, 3-4 breaks and 1 social, but also offer a general sponsorship level.

We would like to invite your organization to consider serving as a meeting sponsor.

Please contact us by email ([mammalcolloquium2017@gmail.com](mailto:mammalcolloquium2017@gmail.com)) or by phone (765-285-8842 [Tim]) to discuss your participation or for assistance with any questions.

We look forward to hearing from you!

Sincerely,

Katherine Caldwell, Tim Carter and MaryKay Clark, Local Hosts, Southeastern Bat Diversity Network
