MEETING SPONSORSHIP REQUEST

Dear Friends:

The 2018 Joint Meeting of the Southeastern Bat Diversity Network, the Midwest Bat Working Group, and the Northeast Bat Working Group and the 28th Annual Colloquium on the Conservation of Mammals in the Southeastern United States will be held March 26th - 30th in Roanoke, VA. We are expecting over 300 participants. Attendees include students, academics, consultants, agency personnel, non-governmental organizations, and other individuals researching and managing bats and other mammals throughout the southeast, midwest, and northeast.

This meeting serves as one of the primary mechanisms for communication of research, regulatory updates, and management information related to the conservation of bats and other mammals in the southeastern US. This will be a great opportunity to interact with researchers, consultants, agency personnel, students, and non-governmental organizations working with bats and other mammal conservation.

We are seeking sponsorships for 6 breaks, 3 lunches, and 2 socials, but also offer a general sponsorship level.

We would like to invite your organization to consider serving as a meeting sponsor.

Please contact us by email (mammalcolloquium2018@gmail.com) or by phone (615.542.1000 [Steve]) to discuss your participation or if you have any questions.

We look forward to hearing from you!

Sincerely,

Meeting Host Committee
