**MEETING SPONSORSHIP REQUEST**

Dear Friends:

The 24<sup>th</sup> Meeting of the Southeastern Bat Diversity Network the 29<sup>th</sup> Annual Colloquium on the Conservation of Mammals in the Southeastern United States will be held February 21<sup>st</sup> and 22<sup>nd</sup> in Jacksonville, FL. We are expecting over 150 participants. Attendees include students, academics, consultants, agency personnel, non-governmental organizations, and other individuals researching and managing bats and other mammals throughout the southeastern United States.

This meeting serves as one of the primary mechanisms for communication of research, regulatory updates, and management information related to the conservation of bats and other mammals in the southeastern US. This will be a great opportunity to interact with researchers, consultants, agency personnel, students, and staffs of non-governmental organizations who work on the conservation of bats and other mammal species.

We are seeking sponsorships for 4 breaks, 2 lunches, and a social but also offer general sponsorship opportunities as described in the attached information.

We would like to invite your organization to consider serving as a meeting sponsor.

Please contact Host Committee Chair Terry Doonan ([Terry.Doonan@MyFWC.com](mailto:Terry.Doonan@MyFWC.com) or 386-754-1662) or SBDN President-Elect Steve Samoray ([ssamoray@copperheadconsulting.com](mailto:ssamoray@copperheadconsulting.com) or 615-542-1000) if you want to discuss your participation, or you have any questions.

We look forward to hearing from you!

Sincerely,

Meeting Host Committee
